✦

The succession of ownership through the eras has layered the Estate's rich history. Lanzerac honours its legacy of grandeur, by telling the stories of its past.

Created during the Rawdon era, the Taphuis Bar is a place where guests have created many memories. The treacle brown bar has been welcoming thirsty travellers since the 1960's, and although damaged in the 2017 fire, it has undergone extensive repairs to retain its original feel, with some of the elements that were salvaged from the flames being reused alongside new additions. The Taphuis' country-inspired décor is rich in texture with rough stone walls, brick floors and exposed wooden ceilings

The gourmet pub-style menu offers sharing plates and light meals in a relaxed environment overflowing with beautiful country charm. The menu boasts homegrown ingredients sourced from local farmers and suppliers, prepared with creativity and originality by our talented team of chefs.
